

## MONEY BILLS NOW BEFORE BOTH HOUSES

**Dr. Hill In Austin to  
Work on Annual  
Budget**

### HOUSE CUTS DEEP

**Summer Session Allowed  
In Finance Bill of  
the Senate**

The Educational Appropriations bills have been reported in the House of Representatives and in the Senate. The House bill is about \$2,500,000 less for the support of the educational institutions than the bill reported by the Senate Finance Committee. Both bills are being printed, and should be ready for action by both the House and the Senate next week.

President J. A. Hill was called to Austin Tuesday and will likely remain until the appropriations are disposed of. He will attend a meeting of the executive committee of the State Teachers Association today and Friday.

The Senate bill allows W. T. the total sum of \$186,036 for each of the coming two years. This includes a recommendation of \$22,312 for each year of the summer session. This is a reduction of more than 30% of the appropriation for each of the past two years, which amounted to \$279,550.

The House bill allows W. T. the total sum of \$119,493 for each of the coming two years. It is a reduction of 55% on the present appropriation. The House committee made no recommendation for summer sessions.

The bill passed last week by the Senate to provide for summer session this year has not been taken up by the House. This bill allows W. T. a total of \$24,500.

The legislature is hoping to pass all of the appropriation bills during the coming two weeks in order that it may be determined whether or not additional revenues will be needed for the coming two years. Governor Ferguson is insisting upon a sales tax, but this has been defeated in the House committee.

## Palo Duro Post To Honor Dead From This County

The local post of the American Legion will sponsor a radio program over WDAG in Amarillo beginning at 4 o'clock Sunday afternoon, April 9. The program committee composed of J. B. Fowler, Guy Harp and Frank R. Phillips, has arranged a memorial program to be dedicated to the boys from Randall county who died, or who were killed during the war. Also in memory of members of the Palo Duro Post No. 97 who have died since the war.

The following is briefly an outline of the program for Sunday afternoon, subject to change:

Melody of Patriotic airs, by the West Texas State Teachers College Orchestra, under the direction of Prof. Wallace R. Clark.

Male Quartet, (2 numbers).

Patriotic Selection, Orchestra.

Ladies' Quartet from the Legion Auxiliary, (2 numbers).

Dedication Overture, Orchestra.

Reading of the names of those to the memory of whom the program is dedicated.

Taps, by a bugler.

National Anthem to be sung by Prof. Clark, accompanied by the Orchestra.

Benediction, Rev. E. C. McKenzie.

## Car Licenses Are Under Total Paid During Past Year

Saturday was the final day for payment of 1933 automobile licenses. More than 280 car owners made their payments during Friday and Saturday.

The total payment for the county amounts to 1700 automobiles and 230 trucks. This is about 150 less than the payments made for last year, according to county officials.

### MARRIAGE LICENSES

A marriage license was issued April 1st to J. B. Bechtol, Jr. and Miss Mildred Harris. Diamonds and Wedding Rings. E. Burroughs, Jeweler.

## Officers Warn Boys Who Break Window Lights

Complaint has been made to officers that boys are breaking window lights over town.

Vacant houses, churches and other public buildings have suffered through the windows.

Making a play ground of the sidewalks in the down-town district at night has been disastrous to show windows, and to awning lights.

Officers warn that boys should stop this practice.

Parents are asked to co-operate in seeing that their sons are taught to respect the property rights of others and to not break out windows, or destroy awning lights.

## PROGRAM FOR DEDICATION OF MUSEUM GIVEN

**Annual Meeting Will Be  
Held at College  
April 14th**

### FULL DAY PROGRAM

**Citizens of Plains Will  
View Museum Building  
First Time**

Plans for the dedication of the new Museum building of the Panhandle-Plains Historical Society are rapidly being completed. L. F. Sheffy stated yesterday that many reservations have been received from pioneer settlers of the Plains, and indications are that the banquet at night will be capacity for the dining room of Cousins Hall.

Mr. Sheffy has a large number of assistants at work every day in the arrangement of the relics of the museum. The great need of new cases is being sorely felt as the work progresses. Several new cases have been ordered, but it is doubtful whether they will be completed in time for making an adequate display of the materials on hand.

The program for April 14th will start at 10:00 o'clock in the morning. Clyde W. Warwick will preside at the opening session, at which time a Pageant will be given of the early life of the Plains, followed by an address by Judge H. E. Hoover of Canadian.

The program is sponsored by the Lloyd Green Allen Chapter of the Scholarship Societies of the South, and the Senior Class of 1933. Faculty members in charge of the pageant are Misses Hattie M. Anderson, Angie Debo, Edna Graham, Mary Morgan Brown, Messrs C. W. Batchelder and S. H. Condon.

At noon a Chuck Wagon dinner will be served by John M. Hendrix of Sweetwater.

The business session will be held at 2:30 o'clock in the afternoon in the auditorium of the Education building. At this session directors and officers will be elected for the coming year. L. F. Sheffy will make a complete report of the finances in connection with the erection of the museum.

**Banquet Schedule**

The annual banquet will be held at Cousins Hall at 6:30 o'clock. President T. D. Hobart of Pampa will preside. The following program is announced:

Toastmaster, Herman C. Pipkin of Amarillo.

Welcome Address, Dr. J. A. Hill.

Response, W. W. Patrick of Clarendon.

Introduction of visitors.

Violin solo, Herschel Coffee.

Address, "The Lure of the Soil," J. Evetts Haley.

Cowboy songs, Wallace R. Clark.

Dedictory address, Judge James D. Hamlin of Farwell.

**Museum Inspection**

The Museum will be opened for inspection from 10:00 o'clock a. m. until 10:00 o'clock p. m. Students will be on duty throughout the day to show visitors over the building and to point out the relics of particular interest.

The College Band under the direction of C. E. Strain will play from 7:00 p. m. until 10:00 p. m. It is expected that hundreds of people will avail themselves of the opportunity of visiting the museum that night.

Mr. and Mrs. J. J. Walker went to Abilene Saturday to attend the bedside of his mother, who is very ill.

## Farmers to Discuss Holiday Tomorrow

**Judge L. Gough to Talk  
to Farmers Regarding  
Conditions**

Farmers of Randall county are called to meet at the court house Friday afternoon (tomorrow) at 2:30 o'clock to hear Judge L. Gough and others discuss the Farmers Holiday. Judge Gough has been working on the Farmers and Home Owners Protective League for the past year, but this movement has been merged with the Texas Farmers Holiday Association.

Judge Gough was here Tuesday to make arrangements for the meeting Friday. In commenting upon the farmers holiday idea, Mr. Gough said:

"The time has arrived that Farmers become class conscious and become members of their own class organization. Organized greed in high financial places has brought the necessity for organized resistance to this monster of greed. Information relative to the organization of high finance in its greed will be outlined and the means to the end of keeping your home will be discussed. All statements made will be backed by evidence for which the tax money of the people has paid."

All farmers of Randall county are cordially invited by Judge Gough to attend this meeting tomorrow.

## Business Lectures Will Be Given Here By Ft. Worth Man

Under the sponsorship of the Chamber of Commerce, Lynn Squires, Public Relations Director for the Trinity Companies of Fort Worth, will be in Canyon, April 26-27 for a series of business lectures.

The visit of Mr. Squires to Canyon will be similar to the Merchants' Institute sponsored by the Chamber of Commerce last fall.

In announcing the institute yesterday, Fred E. Wortham secretary, stated that the full co-operation of all business and professional firms and salesforces would be appreciated in assisting to make the series of lectures by Mr. Squires, beneficial to Canyon and her business interests.

Full details of the meeting place, the hours for the meetings, and other information will be announced soon.

Mr. and Mrs. John Fry were here Saturday from Lubbock. They recently returned from two months spent at San Antonio and Uvalde. They are now visiting relatives in Lubbock.

## Bicycles, Scooters, Prohibited, and Arrests to Follow

A dozen business men called on Mayor C. R. Burrow this morning asking that the city ordinance against the use of bicycles, roller skates, scooters, etc., on the sidewalks be strictly enforced.

Broken show windows, light bulbs, and other damage has been experienced by business houses, especially those on the north side of the square.

Frank Hicks, city marshal, has been asked by the city officials to enforce the ordinance, and to arrest boys who are playing on the streets, and damaging property.

## 43 Dairy Animals Will Show Next Week at Plainview

Randall County will be represented at the Panhandle-Plains Dairy Show at Plainview next week by 43 entries from six herds.

The Tierra Blanca Jersey herd leads in number of entries with 22 Jerseys. H. B. Hales & Sons come next with 12 Holsteins. The Hales herd is already at Plainview, having shipped there from the Fat Stock Show at Fort Worth where they won several prizes.

Other herds that will be represented at Plainview are J. W. Watson Jerseys, 3 entries; C. C. Stewart Jerseys, 3 entries; C. R. Garner, Jerseys, 2 entries, and Ray Gowdy who will show his Holstein heifer. Most of the Randall County herds will have entries in the production contest as well as in the regular classes. Randall County herds have won a goodly proportion of the ribbons at previous shows.

The Dairy Show will have some new and interesting features this year. Among them is the Dairy Production Division, in which will be shown a rather complete exhibit of dairy products. There will be educational lectures and demonstrations in connection with this department that will be well worth a trip to Plainview. Among the speakers who will lecture at the show are Dr. T. O. Walton, President of Texas A. & M. College.

Anna Lee Newlin, daughter of Mr. and Mrs. Burt Newlin, had her right arm broken at the elbow Thursday at the family home. She is reported to be recovering very nicely from the effects of the accident.

## BELLAH AND SLACK LEAD SCHOOL RACE

**Election Saturday Brings  
Out More Votes Than  
Usual**

### THREE YEARS TERM

**Slack Has Served School  
Board Since Districts  
Combined**

A large vote was cast Saturday in the annual election for school trustees for the Canyon Independent School District. T. V. Slack and Alfred Bellah won in a field of five candidates whose names were printed on the tickets. These men will serve for a term of three years, beginning May first. Mr. Slack has been a member of the school board since the Canyon Independent district was enlarged to take in the common school district several years ago. Mr. Bellah will succeed R. E. Ball, who was not a candidate for re-election.

The following were the votes for the various candidates:

T. V. Slack	235
Alfred Bellah	162
Joe Black	86
R. E. Foster	34
C. R. Flesher	29

No names were printed on the ticket for members of the County School Board. In Canyon the names of J. H. Cox, Jr. and Harvey Cash were written in by a few voters. Mr. Cox received 23 votes for member of the board at large, while Mr. Cash was named trustee from this precinct with 6 votes cast. Mr. Cash has been a member of the board for several years. It will be necessary to have returns from the various school districts of the county to determine who is elected as member at large. Frank R. Phillips has served in this capacity for several years.

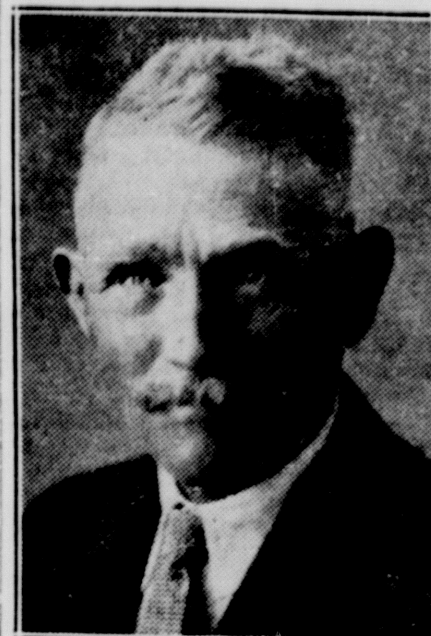

## Highway Oiling Is Proceeding Fast From the South

Rapid progress is being made on oiling the highway from Happy to Canyon. Work was started at Happy, and reached Ralph Saturday.

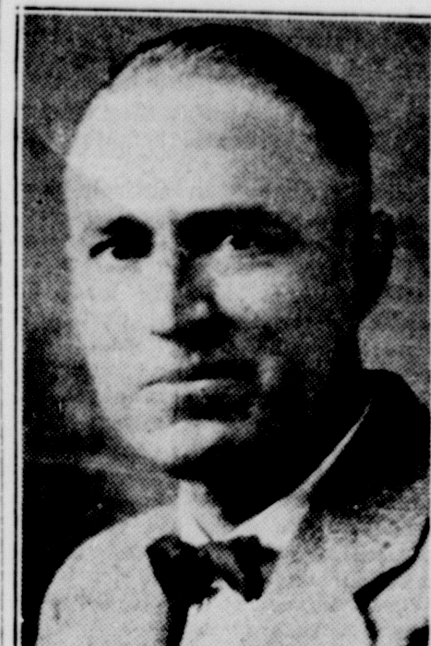

The oiling is being done to save the wear on the highway from the dry weather and high winds which have prevailed this spring.

Mr. and Mrs. O. F. Thomas and daughter, Miss Eileen visited in Wellington over the week-end with Mrs. Thomas' sister.

Give Performances**

### "PRINCE OF LIARS"

**Canyon Merchants Unite  
In Making Attractive  
Gifts to Play-Goers**

A new dramatic organization, The Plains Dramatic Players, will make its debut in Canyon presenting "The Prince of Liars," in two performances next Saturday, April 8, afternoon and evening, at the Canyon High School Auditorium. Miss Lorine Robbins of Canyon, winner of the 1931 Harley Sadler Dramatics Scholarship and graduate of the college, is director of the new group of players. J. B. Fowler, widely-known local black-face entertainer, is business manager.

The play is being presented as a benefit show for the purpose of raising funds to assist in the purchase of necessary furniture and fixtures for the new museum building of the Panhandle-Plains Historical Society.

Cooperating with the cast and the high school History Department, sponsors of the play, are 55 business firms of Canyon, who will offer more than 200 gifts to those attending either of the two performances.

"The Prince of Liars," a three-act farcical comedy, is to be presented by a well selected cast. It has been an unusually popular play for several years and has enjoyed a number of successful runs. It is packed with fun producing comedy from the opening lines to the final curtain. Critics acclaim it to be a good comedy with a strong vein of original humor.

"The Prince of Liars," offers two and a half hours of pleasing entertainment, having coupled with it several clever vaudeville acts, featuring a local trio of tap dancers, Frances Usery, Dorothy Faye Rusk, and Melba Gamewell; and black-face slapstick skits by J. B. Fowler.

The cast includes:  
Mr. Arthur Hummington—J. C. Line.  
Ralph Omerod—Quentin Ward.  
Joshua Gillibrand—Thomas Service.

Dodson—Alvin Ream.  
Mrs. Hummington—Lorene Robbins.

Mrs. Gillibrand—Juanita Campbell.

Rosa Colombier—Polyanna Pitts.  
Daisy Matland—Ethel Brasel.  
Barbara—Mrs. J. B. Fowler.

J. C. Line is a college student from Hereford. Alvin Ream is also a college student whose home is in Shamrock. The other members of the cast live in Canyon.

The 55 cooperating Canyon business firms include, P. & G. Grocery, Terry Beauty Salon and Photo Studio, City Market, M-System Stores, Thompson Hardware Co., Canyon Grocery, Walker Drug Store, Money's Market, M. E. Moses Co., Jarrett Drug Store, Magnolia Service Station, Palace Cafe, R. E. Ball Service Station, City Pharmacy, Jones Service Station, K Service Station, Electric Service Station, Scotts Service Station, The College Oasis, The Buffalo, Bellah's Food Store, Farmer's Elevator Co., Piggly-Wiggly, The Peoples Store.

## Kelso Will Meet Directors of Protec- tive League Friday

Clyde W. Warwick and J. J. Walker of Canyon will meet with the directors of the Protective League of the American Commonwealth Power Company in Amarillo Friday afternoon. Judge I. R. Kelso, president of the operating company, will meet with the directors.

Gene Howe has recently returned from New York where he conferred with bankers regarding the stock of this company, and believes that the consumer-owners will finally be protected in their holdings. Mr. Howe will report his findings to representatives from all of the towns of the Plains.

Mrs. J. M. Conway of Iowa Park is visiting in the home of her daughter, Mrs. Henry Campbell.

## THE NEXT OVERHEAD PROBLEM

## Mrs. J. M. McCarley Died Monday With Funeral on Tuesday

Mrs. J. M. McCarley died Monday at the family home six miles south of Happy. The family had recently moved there from their place east of Canyon. The funeral services were held Tuesday afternoon at 3:00 o'clock at the Happy Baptist Church, conducted by Rev. John Scott.

Mrs. McCarley was born Oct. 24, 1870, being 62 years, 5 months and 7 days of age at the time of her death. She is survived by her husband, one son, H. C. McCarley, and one sister, Mrs. Jewell Hicks. The pall bearers were R. B. Guest, S. L. Robinson, T. W. Tucker, Robert Goodnight, Arthur Henry, and D. Taylor.

## ROY BARNHILL SIGNS CONFESSION OF THEFTS

Roy J. Barnhill of Amarillo signed a confession of guilt yesterday before Sheriff Bob Barnett. He was charged with breaking into the Imperial Chevrolet Company on Jan. 3. He has been held in jail for some time.

It is alleged that Barnhill has a prison record, and is now out under parole.

It is unfortunate that there are those in Texas who seek to fight the colleges by attempting to raise a barrier between the colleges and the common schools. The fact that the common schools have improved has been brought about by the improvement in the colleges and the products of the colleges. The standards of the colleges are reflected in the public schools. Selfish motives are behind all of this scheme, and the promoters know that their plea to cripple the colleges will be swallowed only by those who do not stop to consider that the educational system of Texas is a unit, and that it must be treated as a unit. It would be just as sensible to say that Canyon would abolish its high school for the purpose of improving its lower grades as it is to say that the colleges of Texas should be abolished for the purpose of improving the common schools. A lot of people who think they know all about education and educational needs, are the most ignorant of the real meaning of a balanced educational system.

Report from the Federal Reserve system shows that a larger percentage of the banks in this the Dallas district are open than in any section of the United States. It is indeed a fine tribute to the bankers of the Southwest that they have succeeded in stemming the tide. Of course they have had to make a lot of folks mad. They have had to refuse loans to people who did not have ample security. They have had to turn down checks of people who did not have the money on deposit with which to meet these checks. Too many people will impose on banks if given half an opportunity. Those bankers who have let their customers impose upon them are usually the ones in trouble. It is indeed a great compliment to a banking institution when it becomes known that it will not loan money to people who do not have ample security; which will not permit overdrafts; which charges for the service it renders to the public. Such an institution will not be in serious difficulties either in good times or in bad times.

President Roosevelt demands that the public be protected from the stock gamblers. Perhaps drastic steps will not be necessary during the next few years, as all who owned any sort of stocks have seen them depreciate in value either to or beyond the vanishing point. A new crop of suckers will appear before general issues or promotional stock will be in much demand. However, the public soon forgets the skinning that it once received at the hands of stock promoters. The willingness to "take a chance" seems to be a general weakness on the part of the human race. The President realizes that the public needs a guarding angel, and Uncle Sam proposes to act in that capacity.

Very consoling thought for parents, indeed, to realize that they are rearing their boys and girls to drink beer; to enrich the brewers; to raise taxes; to balance the budget; to support the schools; to become drunkards; to fill the jails; to smash the family car; to destroy property, and probably life. How many parents will agree that they are rearing their boys and girls for such a program? The brewers say that beer will be only a mild little drink, which will be so fashionable that it will produce something like 150 million dollars. Those of us who have lived in saloon towns know too much about the saloon to ever wish it to return.

"Service is the rent you pay for the space you occupy," stated District Governor of Rotary Andy Anderson. How many people are there in the country today who are paying this rent? How many are trying to pay this rent? The latter is more important than the former. There are many folks who cannot pay, try as they may, but on the other hand there are too many who are not trying to pay. It is a mighty "sorry" individual who cannot pay his way in the world. Paying his way may not always be done with dollars and cents, but most certainly he can make the world a little better for having lived here.

Matsuoka, Japanese politician, who has been talking a lot while in this country, was scheduled to talk over the radio Sunday evening. Announcement was made that the talk had been cancelled. The

## Nothing Dull About New Male Fashions

SINGLE-BREADED SACK SUITS, IN SOLID COLORS, PREFERABLY BRIGHT BLUE AND GRAY, POPULAR THIS SPRING

BY HARRIET

THE traditional monotony and drabness has been dusted off men's fashions this spring.

You now can choose a pastel colored waistcoat to wear with your dark business suit and be perfectly certain that besides presenting a more cheerful appearance you are really up-to-the-minute, fashionably speaking.

Sack suits, with their coats a little longer, are decidedly brighter colored. Bright blue is better than navy and a dark tan smarter than chocolate brown. Gray is always a wise choice for spring. Black has lost a great deal of its popularity.

Smooth-surfaced materials have given first place to those which are striped or checked. Plain, solid colors are best, however. The gay waistcoat is left to do the brightening act.

Single-breasted sack suits for business and street wear are a little ahead in the style race. But double-breasted ones are a close second.

Lapels are a trifle longer. Pockets remain unchanged. Shoulders are not as accentuated as heretofore and ties, always close followers of the suits which they should complement, are also brighter colored.

Host suits are an entirely new innovation. These wide-trousered, informal suits for home entertaining are topped off with a coat cut like a tuxedo. They are made of cashmere for the most part and come in bright, gay colors including red, blue, green and purple. Waistcoats are no part of them. Instead you wear a silken sash about your waist.

The general tendency to brighter colors prevails throughout sports clothes. Polo coats are very gay and outing jackets may be almost any color under the sun.

One important highlight in sports clothes is called "knicker-slacks." Instead of having your knickers fasten tightly below your knee, cutting off circulation and being otherwise annoying, you wear a new style which simply doesn't fasten at all. Knicker-slacks are cut off just below the knee and hang loosely.

people naturally wonder why. Did he receive orders from home, or from Washington? Among foolish things he has said, was the request that the United States withdraw all battleships from the Pacific. It seems that this country has more coast line, and more property touching the Pacific than any other body of water.

It is stated that President Roosevelt is the most popular president since Washington. The firm hold that he has taken upon the affairs of this nation has gained for him the respect, not only of his own people, but of all of the nations of the world. The people have confidence in the new leader. Business has started to improve in many sections of the nation. In firmness and driving power, Franklin D. Roosevelt promises to outdistance his famous relative who wielded the big stick.

Messing up the town with a lot of handbills is not the way to make a town beautiful. The merchant who really wishes to advertise his wares will enter your home through the front door. The newspaper is always a welcomed visitor in the home. The hand bill is considered a nuisance by most women.

It seems preposterous that religious hatred should take hold of a nation to the extent that Hitler and his forces are carrying it against the Jews in Germany. It only goes to show the warped condition of the minds of men and the prejudices which will result from this condition.

## Jowell Items

Sunday is our regular singing day. You are invited to meet with us at the school house at 7:30 p.m.

Mr. and Mrs. Louis Hinders entertained a number of their friends with a "42" party Thursday evening. Those present were Mr. and Mrs. W. R. Landrum, Mr. and Mrs. C. P. Robertson, Mr. and Mrs. M. W. Dooley, Mr. and Mrs. E. V. Dodson, Mr. and Mrs. Burney Slack, Mr. and Mrs. Stacy Howell, Clyde Robertson, Reese Garvin and Mrs. H. F. Garvin.

Mr. and Mrs. Herman Robertson and family spent Sunday in the David Hill home.

Mr. and Mrs. H. F. Garvin visited the Earl J. Davis home Sunday.

Mr. and Mrs. C. B. Fewell and children returned from Enoch Thursday evening where they have been visiting relatives the past two weeks.

Those on the sick list this week are Mrs. J. E. Davis, Mr. W. R. Landrum and Lavern Hinders.

Mrs. L. E. Stone and Mrs. Beech Burgess of Pampa visited in this community Sunday.

Mr. and Mrs. C. P. Robertson were visitors in the Louis Hinders home Sunday.

Dignified and interesting is the cutaway suit for formal day wear, shown at left. At right is the new single-breasted plaid business suit, showing the longer length coat. A gray and blue tie is of matching plaid design.

If you're really tired of sombre colors the new formal clothes are going to be a personal boom to you. Tuxedos come in gray, blue and white as well as black. And very handsome they are, too.

White tuxedos are smart right now at southern resorts. They are finished off with white satin lapels.

White mess jackets, long since important in the formal wardrobe of army and navy officers, are also recommended for country club and summer wear. They are worn with black tuxedo trousers.

Your spring topcoat comes in two principal styles. Soft, tweed materials call for a swagger topcoat cut along raglan lines. Hard-finish suits that carry no air of sports with them are flattered most by

the traditional, double-breasted, dark-colored topcoat. Derbies are shown with the latter model and soft felts with the former.

YOU will notice the longer length coat with this new plaid business suit of gray. The plaid effect is gained by raised weave of self-material.

The gray and blue tie is of matching plaid design.

With this suit you wear black shoes and top the outfit off with a gray felt hat.

The host suit of blue vicuna for informal evening wear has wide trousers and an unusually long coat. The lapels and cuffs are bright blue. With it is worn a dress shirt—no waistcoat.

Girl's Glée Club  
Entered In Tri-State Music Meet

The Girls Glée Club, under the direction of Miss Pauline Brigham, will enter the Tri-State Contest to be held at Lubbock next Saturday, April 8. Although an annual event at the Hub City, this is the first year that a college division has been included in the contests heretofore confined solely to high school glée clubs.

At least four colleges will be represented, W. T. S. T. C., Wayland College of Plainview, Amarillo College of Amarillo, and Texas Tech of Lubbock.

The Tri-State Contest will be the concentration point for three minor elimination events as representatives from the Panhandle Music Teachers Association, the South Plains Music Teachers Association, and the New Mexico Teachers Association will be present. The W. T. Glée Club will have as its origin the first named association.

Entrance fees for the W. T. girls are being partially met by the Canyon Chamber of Commerce. Transportation to Lubbock is now being sought. Miss Brigham requests that she be notified of any cars which may be utilized for the journey.

Conference Will  
Be Held Here Apr.  
15 By Baptists

Canyon and W. T. will be host on April 15 to the Plains Conference of the Baptist Student Union. The meet will be under the direction of Robert Fling, who will also be the main speaker. President J. A. Hill will also appear on the program. Special music and speeches by the student body will be given.

All work and no play make Jack a dull boy, but just the same—and an important thing nowadays—it makes "jack."

SERVICE  
STATION

Wholesale and Retail

Nicknamed!  
that's what happened

THE contest for a name and slogans for Conoco's new gasoline is over. The winning name and slogans have been selected and awards made to the contestants listed here.

More than half a million good friends tried sincerely to help us, and we are grateful to all of them for the names and slogans sent us, each of which had a careful reading and consideration.

Even though we have selected and paid for a splendid name, we find we cannot use it or any of the many hundreds of good names submitted.

Here is what happened: Personality always wins a "nickname." We never thought of that in our anxiety to get a good name for an outstanding

gasoline. Bronze was used as a color to make this new gasoline distinctive and to protect our customers. It was liked by everybody—they, you, everybody called it Conoco Bronze. So, try as we might, we couldn't change now. It will always be known as Conoco Bronze. It had too much personality to avoid this popularity rating—"nicknamed!"

Therefore, conforming with contest rules, we are using a name of our own creation, the name used in all the contest advertisements—"Conoco Bronze"—even though it is not the name for which we paid \$5,000.

Each user of Conoco Bronze gets a perpetual prize of instant starting, lightning pick-up, greater mileage and power—for it is a great gasoline.

# WEST TEXAS READY FOR THE DECENTRALIZATION of BUSINESS

The people of this country learned from their recent experiences which made it necessary to declare a nation-wide bank holiday that it is a waste of time to discuss the merits and demerits of the unit bank, the branch bank, the group bank, the

big bank and the little bank. As a result of the events of the past few weeks the public knows that the big bank, and the so-called liquid bank is in the same class as the frozen asset bank when the people generally decide to keep their own money and start a run on banks. Neither the size of the bank nor diversification of investment, nor the two combined, can keep the banks open when millions of depositors decide to keep their own money. The nation-wide bank holiday has made both the banker and the depositor realize that the policy of the bankers in the past with respect to saying to the public that a depositor, who as a rule never deposited anything but checks, could get the amount of his deposit in currency on demand, is all wrong. The bank holiday has made both the banker and the depositor realize that money is intended to be used solely as a medium of exchange and as such must not under any circumstances be hoarded. The public fully realizes today that all banking, like all business transactions, must be bottomed wholly upon the confidence of the public in the soundness of the banking system and business methods.

## Banks Sound In the Plains Country

According to the best information available at this time, out of approximately 6,891 Federal Reserve Member Banks in the United States, 5,342 were re-opened prior to March 25th, or about 77 per cent.

In Texas there are approximately 529 Federal Reserve Member Banks and 516 opened prior to March 25th, or about 95 per cent, which was 18 per cent higher than the general average of the Federal Reserve Member Banks in the United States.

There were approximately 12,432 non-member banks operating in the United States before the bank holiday and approximately 10,570 re-opened prior to March 25th, or about 85 per cent; although some of the non-member banks were under restrictions. While in Texas there were approximately 535 non-member banks and 534 were re-opened, although some were under restrictions prior to March 25th, or approximately 100 per cent.

In towns supplied by the Plains Division of the Texas Utilities Company with electric service, out of 18 Federal Reserve Member Banks 18 have re-opened, or 100 per cent.

In the Plains Division of the Texas Utilities Company there were 23 non-member banks operating before the bank holiday and 21 re-opened prior to March 21st, 16 without restrictions, and 5 under certain restrictions. The two banks that have not

re-opened will, according to reports at this date, be re-opened within the next few days.

In the towns supplied with electric service by the Southwestern Public Service Company located in the Panhandle of West Texas, out of 7 Federal Reserve Member Banks 6 have re-opened. There were 7 non-member banks operating in the territory supplied by the Southwestern Public Service Company before the bank holiday and 7 have re-opened, or 100 per cent.

According to the most reliable information obtainable the banks operated in the Plains Country above referred to have all shown substantial increases in deposits since the bank holiday. The average increase in deposits since the holiday in the above banks is conservatively estimated to be approximately 5 per cent.

The above companies of the banking conditions in the Plains territory supplied with electric service by Texas Utilities Company and Southwestern Public Service Company clearly shows that the banking and business conditions in West Texas are as sound as can be found in any section in the United States.

## The World Is In The Throes Of A New Birth

We hear on every hand the statement that "The world today is in the throes of a new birth." The economists, the statesman, and the business man in every walk of life is occupied in studying and discussing the several factors that can be identified as those most likely to determine the character of the change that is going to take place. It is generally conceded that the trend toward decentralization in our business structure is by far the most important factor.

## Decentralization Made Possible By Development and Use Of Electric Power

According to the economist, "The use of electric energy is about to reverse, in certain fundamental respects this whole century of evolution toward centralization and concentration." All congested centers are suffering from the movement, which is now world-wide, to abandon the large city as a manufacturing center. The modern factory, in the opinion of the present day economist, will move as rapidly as possible under existing conditions from the large cities to the smaller communities where an adequate and dependable supply of high-line electric power can be made available for manufacturing purposes at reasonable rates.

"A MORE BEAUTIFUL CANYON"

# TEXAS UTILITIES COMPANY

"YOUR ELECTRIC SERVANT"

## West Texas Ready For The Change In Business Conditions

West Texas offers the finest agricultural opportunities, the best transportation facilities, and the most advantageous power service to the modern factory seeking a new location, in order to meet changing conditions, that can be found in the United States. The above analysis of the banking conditions of the country discloses the fact that the banks of the Plains Country are as sound as the banks in any section of the United States and that West Texas banks are today in a position to provide adequate banking facilities to meet all the requirements necessary to take care of the development of the territory.

## Comparison Of Electric Rates

According to Public Service Magazine of November, 1932, the average rate per Kilowatt Hour for electric current in the United States at the end of 1931 was five and eighty-two hundredths cents (5.82c). The average rate per Kilowatt Hour for electric current sold by Texas Utilities Company for the same period was three and eighty-two hundredths cents (3.82c). Manufacturers seeking new locations will be interested in knowing that Texas Utilities Company supplied electric energy to a number of manufacturing plants located in several different communities on the Company's highlines in West Texas during the year 1931 at the average rate per Kilowatt Hour for electric current of from one and thirty-five hundredths cents (1.35c) per Kilowatt Hour up to two cents (2c) per Kilowatt Hour depending entirely on the class, quality and quantity of service used by the particular plant under the manufacturing rate scheduled during said period. The above mentioned power rate is available to any manufacturing plant desiring the same class, quality and quantity of service at any point on the highlines of Texas Utilities Company in West Texas, and the Company is prepared to furnish an adequate supply of dependable service at any point on its highlines to any manufacturing plant desiring a location on its highlines immediately upon request.

## Confidence And Courage Chief Assets

Confidence, courage and co-operation are far more important during the troublous period of readjustment through which the country is now passing than all the gold and other tangible assets in this country. The hope of West Texas today is the courage of West Texans to DO, and the willingness to take it on the chin whenever necessary to make sacrifices for the general welfare. No outside force can arrest the development of West Texas as long as the spirit of West Texans to DO lives.

PHONE NO. 41

WEST SIDE H. D. CLUB  
AT MRS. MADDOX HOME

In the absence of Mrs. A. N. Burkan, president of the West Side Home Demonstration Club, Mrs. J. J. Wright, vice president, presided over the last regular meeting at the home of Mrs. M. I. Maddux. Fourteen members responded to roll call, and each gave a resume of home work done since January 1st.

The topic for study was a continuation of the study of the "County Unit." Mrs. F. M. Shotwell gave an interesting history of Randall County, and different members responded with well-prepared papers or talks on different topics assigned them.

Plans were outlined for an all-day meeting at the home of Mrs. A. N. Burkan on Wednesday, April 12th, when Miss Bass will meet with the club for a lesson on "Foundation Patterns." It was decided to serve sandwiches, cake and hot coffee during the noon hour and members attending will bring any of these that are convenient. Club members or visitors interested in sewing are invited to be present.

Attending the meeting with Mrs. Maddux were: Mesdames J. J. Wright, J. E. Hunter, B. A. Burrus, W. L. Avent, S. L. Snider, W. M. Roberts, S. F. Dove, T. A. Downen, F. M. Shotwell, Lawrence Stewart, J. M. Bourn, Misses Coily and Veda Burrus.

MRS. CARL SCOTT  
IS HOSTESS WEDNESDAY

A delightful hour of needlework was enjoyed at the home of Mrs. Carl Scott, 1502 Seventh Avenue, Wednesday afternoon when she entertained members of the Priscilla Needle Club.

A refreshing iced course was served at the tea hour.

Those present included: Mrs. G. A. Farlow, Mrs. A. K. Goodman, Mrs. M. L. Sadoris, Mrs. H. W. Hartman, Mrs. Alfred Bellah, Mrs. Frank Hicks, Mrs. J. Madison Daugherty and Mrs. A. H. Bryant.

MRS. BURRUS HAS  
BIRTHDAY SURPRISE

Mrs. S. J. Burrus was given a surprise party Wednesday night of last week by Mrs. Bradley Burrus and Mrs. John Hunter on the occasion of her birthday.

Forty-two was enjoyed by a number of friends and neighbors who had gathered to extend congratulations to the honoree. Refreshments were served to the following guests: Mr. and Mrs. Dove, Mr. and Mrs. Snider, Mr. and Mrs. John Haines, Mr. and Mrs. Harley Burrus, Mr. and Mrs. Bradley Burrus, M. and Mrs. Lawrence Stewart, Mr. and Mrs. P. H. Barber, Mr. and Mrs. Lavert Avent, Mr. and Mrs. John Hunter, Mr. and Mrs. McKay, Mrs. Bourn, Misses Sarah Bonnie Bourn, Mary Bourn, Mildred Baber, Mary Jo Avent, Coily Burrus, Vida Burrus, Messrs. Earl Stonty, Earl Stewart, Ed Bourn, Ernest Lee Thomas, Fred Ritchie, Turner Ritchie, Lavert Avent, Finis Leath.

WORTHWHILE CLUB  
CELEBRATES BIRTHDAY

Members of the Worthwhile Club celebrated their first anniversary by entertaining their husbands Saturday evening at the home of Mrs. Jessie Caldwell and her mother, Mrs. Julia Samuelson.

The entertainment program proved that men get a thrill from juvenile games, especially when prizes are at stake. Spelling matches, pie contests, and April Fool games were features of the evening. After a period of progressive forty-two refreshments of ice cream and cake were served.

Those present included: Mr. and Mrs. W. T. Davis, Mr. and Mrs. F. A. Thomas, Mr. and Mrs. A. M. Smith, Mr. and Mrs. W. L. Johnson, Mr. and Mrs. H. J. Scowen, Mr. and Mrs. W. G. Harris, Mr. and Mrs. A. T. Smith, Mrs. W. H. McKee, Mrs. Hendricks, Miss Jessie Blanton, and Messrs. Otto Samuelson and Fred Caldwell.

CHILD STUDY CLUB  
MEETS MONDAY AFTERNOON

Mrs. Roscoe Davis was hostess to the Child Study Club Monday afternoon. A program on the "Analysis of Problems in Child Rearing" was given.

Mrs. Flanigan Smith had charge of the group study, after which Miss Ruth Lowes gave an interesting and practical talk on everyday annoyances, analysis of problem situations and effective means of meeting them.

Club members taking part in the afternoon's program were: Mrs. Flanigan Smith, Mrs. Ben Pearson, Mrs. Carl Scott, Mrs. W. L. Smith, and Mrs. Mitchell Jones.

MRS. WARWICK IS  
HOSTESS TO CLUB

Mrs. Clyde Warwick entertained the members of the 1930 club at her home, 1110 Sixth Avenue, last week.

Tables were placed for bridge in the entertaining rooms. A dessert course was served at the refreshment hour.

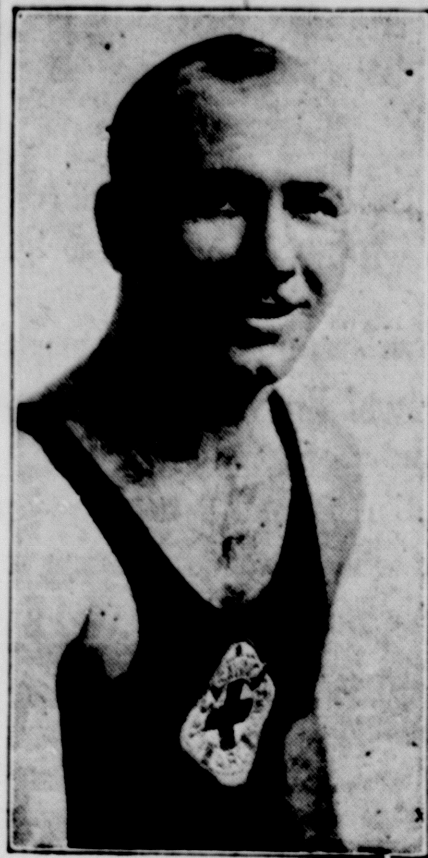

Seated were: Mrs. Felix Neff, Mrs. J. W. Kleinschmidt, Mrs. C. L. Thompson, Mrs. Ray Campbell, Mrs. M. S. Bishir, Mrs. Bill Black, Mrs. Irby Carruth, Mrs. Dan Sanders, Mrs. R. A. Nebbett, Mrs. Bill Smith, Mrs. T. M. Moore, and Mrs. Ben Winkelman of Amarillo.

REBEKAH LODGE  
HOLDS MEETING

Miss Tennie Thompson was welcomed back to the Rebekah Lodge Tuesday night. The hour was changed to 8:00 o'clock for future meetings.

Those present Tuesday night were Misses Tennie Thompson, May Warren, Columbia Redfern, Mrs. Mildred Sullivan, Mrs. Myrtle Hendrix, Mrs. Margaret Cole.

Miss Marie Crone, who has been attending the National Missionaries' Council in Louisville, Kentucky, the past two weeks, has decided to attend Scarritt College at Nashville, the next quarter.

Red Cross Life  
Saving Course at  
College MondayRED CROSS LIFE SAVING  
EXPERT

A. T. McCue

A. T. McCue, who is coming to Canyon Monday to give a three day Red Cross Life Saving Training Course, will speak to the Rotary Club at noon Tuesday and will also address the College students, the Canyon High School and the Amarillo High School students, while here.

The training course will be in session at the College swimming pool Monday, Tuesday and Wednesday from 3 to 6 o'clock in the afternoon at which time Mr. McCue will give instruction in life saving and in teaching and examining methods. The course, which is given by the national Red Cross working in conjunction with the Randall County chapter of which Miss Ruth Cross is chairman of the Life Saving Committee, has a dual purpose, that of instructing and reviewing all local Examiners and all Senior Life Saving members who are candidates for appointment as examiners. It is open to all interested persons who have passed the Senior Life Saving test and who desire the appointment of Life Saving Examiner. The course will be especially valuable to scout masters and teachers who work with young children.

Mr. McCue, special life saving field representative of the American Red Cross, is well qualified for his position. He is beginning his seventh year of service, having been a Red Cross life saving examiner since 1925.

## REGARDING TRADES DAY

To The News:  
Well, folks, we had a good Trades Day on Monday, didn't we? Just like yours truly used to go to back home. You folks who were not there don't know what you missed, and neither do we, for it would have been ever so much better if some of you had been there.

And, say, some of the ladies were there, too, looking for washing machines, kitchen furnishings, and what have you. That's the spirit, ladies, why not bring some canned vegetables, corn, fruits and meats, or some dried corn. Think it over and do your bit to help knock out Old Man Depression.

Our County Government was represented, too. Ye Farmer saw County Assessor Burney Slack, Deputy Sheriff Glenn Costley, County Agent Walter Upchurch, School Tax Assessor J. W. Shanklin, and County Commissioner G. B. Heath. These gentlemen were attending to the duties of their respective offices and meeting their friends as well. Editor Clyde Warwick was out among us several times, and Chamber of Commerce Secretary Fred Wortham was in and out and all around the whole town. Stay in there Fred.

Your old Farmer is just about worked down from writing so much at one time, but there's a lot more good things that ought to be told.

Several of our merchants were on the trading ground. We are very glad for them to show this much interest in helping us get along, thereby helping Canyon also. This is a fine farming country and we need all the help we can get in developing it. The spirit of co-operation between the farmers and the merchants will help keep the home trade at Canyon.

Anyway, let's all look forward to next Fourth Monday Trades Day, and everybody give our Chamber of Commerce President Warwick and Secretary Wortham all the help we can to put it over in a big way. Let's make it bigger than Canyon. It ought to be Randall County-wide.

Bring what you have and don't need, and find what you need and don't have. Come one, come all!  
YE FARMER.

## SLACK THANKS VOTERS

To voters of the Canyon Independent School District:

I appreciate your support and interest in Saturday's election and shall to the best of my ability perform the duties entrusted to me. I shall help keep our school at its present standing; however I realize the necessity of a wise and careful study of the school budget and the most economical use of the loyal taxpayers' money.

I hope that in selecting the faculty those responsible will elect teachers whom they consider the best qualified and at the same time give first consideration to those who have no other means of support.

Our system has developed into a well equipped plant managed by well prepared teachers, and it is the desire of every well-meaning citizen that it shall continue to progress.

Yours for good schools at all times.

T. V. SLACK.

## Chips of Thought

Bad habits are like a comfortable bed; easy to get into, but hard to get out of.

Some folks don't look up until they are flat on their backs.

Rivers (and men) get crooked by following the line of least resistance.

If you think the world is all wrong, remember that it contains people like you.

The church is full of willing people; some are willing to work, and others are willing to let them. Spin carefully, spin prayerfully, but leave the thread with God.

He who controls not his youth will not enjoy old age.

Many Visitors  
Come to View the  
Museum Building

Visitors of all ages and interests will find things to delight them when the Panhandle-Plains Museum is opened with the exhibits in place on April 14.

Already school children and scouts are looking forward to seeing the mounted specimens of buffaloes, coyotes, snakes, foxes, eagles and other birds and animals which belong or have belonged to this region, and the guns which have been used on battlefield or by hunter or settler in wresting a precarious living from the country.

Old time cowboys will cast critical eyes over the chuck wagon model, made by men of the JA.

Housewives will wonder about the men and women who have sat around the table which once stood in the hospitable home of Colonel and Mrs. Goodnight when guests from far countries were entertained by builders of the Panhandle. A clock which has ticked away the moments in one family for more than 100 years and moved with them, wrapped in a feather bed, two thirds across a continent, is associated with a copper kettle which has sung on fireplace and range from Colonial day in New England to modern days in West Texas.

The bibliophile will find books of sermons in their 100 year old bindings, first volumes of Scribner's magazines of 1887, a bound copy of Peterson's Magazine of 1864, Rollin's "History of Ancient Civilizations," an authority in 1841, and many other volumes of general or special interest. Among these is a modest book entitled "Self-propelled vehicles," written by James A. Homans in 1902, revised in 1907. The curious boy can learn by reading this how far automotive and aero engineering have progressed in a quarter of a century, and he will recognize E. A. Wright and Charles E. Duryea to whom the author acknowledges his indebtedness.

Long horns, snake rattles, Indian artifacts, century old Bibles, half forgotten musical instruments, a medal of honor awarded to Billy Dixon, branding irons, a Quaker hat and bonnet, ranch records, photographs—each will make its appeal urging young and old to return.

It is by its varied appeal that the new Museum, the first investment of its kind in the State of Texas, is expected to become a shrine of statewide interest.

America is Well  
Informed on All  
World Problems

The Rotary Club heard a report Tuesday from Prof. S. H. Condron on the trip of the W. T. delegation of ten to the Las Cruces conference last week. Representatives from 14 colleges gathered to study questions of international importance. An invitation was accepted to meet in Canyon next April for the annual session.

Mr. Condron stated that 453 colleges in America are today making a study of peace questions under the direction of the Carnegie Foundation. Regional gatherings are held annually wherein the students from various colleges have an opportunity to exchange views.

Among the prominent speakers at the conference was the secretary of the League of Nations, and counsels from seven different nations. The secretary, who is a Frenchman, stated that 10 years ago the American people were the most poorly informed on international questions of all nations, but today this is the best informed nation. America has forgotten its prejudices and has faced the fact that today the world is a community. Speaking of France, he stated that the leadership is switching from Paris to the rural sections, through a more informed and more conservative provincial press.

The disarmament conference has been in session for six months, and the most hopeful sign is that European nations are agreeing upon the problems as they present themselves. The League voted unanimously in regard to the Japan-China situation, and as regards Hitler. The spirit of co-operation between the nations is being shown by a willingness to talk over mutual problems.

The program was in charge of the Fellowship Committee, Doug Shirley, chairman.

The following were guests of the club: R. E. Wirtz, Chas. Rogers and Hugh Flynn, of Amarillo, S. H. Condron of Canyon.

## IN THE WORLD OF SPORTS

Because of a Busy Winter Trading Season, More Than 50 Ball Players Will Find Themselves in New Uniforms on Opening Day

BY PHILIP MARTIN

BANDS will play, some local or governmental dignitary will throw his arm out of joint, flags will be raised, batteries will be announced—and that greatest of all days, Opening Day, will find more than 50 old faces filling new uniforms in the major leagues.

It was quite a problem to keep track of the wholesale swapping among the major league clubs during the year, but there follows a record of the changes and an opinion as to which club received the best of the deals:

Connie Mack shipped Al Simmons, Mule Haas and Jimmy Dykes to the White Sox for cash. About all Connie got out of that deal was the cash, which was variously reported to be from \$75,000 to \$150,000.

BILL TERRY'S Giants were involved in numerous swaps. They sent Pitchers Bill Walker and Jimmy Mooney, and Outfielder Ethan Allen to the Cards for Pitcher Ray Starr and Catcher Gus Mancuso. Then they shipped Catcher "Shanty" Hogan to the Boston Braves for a bit of dough, and followed that action by sending Pitcher Sam Gibson and cash to Portland, of the Pacific Coast League, for Bill Shores, former Athletics' pitcher.

In between those trades, the Giants engaged in a three-cornered affair with the Pirates and the Phillies. The Giants got George Davis, Phillies' outfielder, and Glen Spencer, Pirates' pitcher; the Pirates got Freddie Lindstrom, Giants' infielder, and the Phillies got Chick Fullis, Giants' outfielder, Gus Dugas, Pirates' outfielder, and cash.

The Giants seem to have got the better in all of these deals, except the one that sent Lindstrom to the Pirates.

The Chicago Cubs, by giving away four players for one, got the best of a trade with Cincinnati. The Cubs gave Pitcher Bob Smith, Outfielders Lance Richbourg and Johnny Moore, and Catcher Rollie Hemley for Babe Herman. The best the Reds got out of the deal were Johnny Moore and Hemley, two up and coming players.

THE Washington Senators got mixed up in several trades which ought to do them a world of good. They sent Pitcher Lloyd Brown and Outfielders Sam West and Carl Reynolds to the St. Louis Browns for Pitcher Wally Stewart and Outfielders Goose Goslin and Fred Schulte. One guess who got the best of that. Then, by sending Fred Marberry to Detroit, with

Because of a busy winter trading season, 50-odd players will find themselves with new teammates this year. Three big-shot players who were involved in recent trades are Al Simmons, right, "Goose" Goslin, above left, and Babe Herman, below.

Charley Fisher, whom they obtained from the Browns in a later deal in which they swapped Pitcher Dick Coffman, they got Earl Whitehill, a hurler who always caused them plenty of grief.

The only exchange in which the Senators had the doubtful short end was the one that sent the young first baseman, Harley Boss, to the Cleveland Indians for Infielder Bruce Connater and Pitcher Jack Russell. But they got the best of another deal with the Indians by trading Catcher Spencer for Catcher Luke Sewell.

One of the biggest surprises of the trading season was the Brooklyn Dodgers' swapping of Dazzy Vance and Infielder Gordon Slade

to the Cardinals for Infielder Jake Flowers and Pitcher Owen Carroll. About all that can be said of that trade was that the Dodgers got rid of a big salary argument with Dazzy. Another of the Dodgers' trades saw Pitcher Austin Moore and Infielders Mickey Finn and Jack Warner leaving Flatbush for the Phillies' pitcher, Ray Benge.

Even the lowly Red Sox got into the spirit of things. They shipped Pitcher Eddie Durham and Infielder Harold Rhyne to the White Sox for Infielders Johnny Hodapp and Gregory Mulleavy, and Outfielders Bob Seeds and Fatty Fothergill. And it looks as if the reorganized Red Sox got the better of that deal.

## Wayside Items

Rev. J. A. Lindley filled his regular appointment last Sunday. A good congregation and a good sermon.

Sunday School led by D. L. Adams. We have a fine leader and we are glad to see improvement in co-operation by the community. Room for all and we hope to see others come in.

The three teachers, Mr. and Mrs. W. T. Dungan and Miss Vera Poole with a number of the pupils went to Claude to the interscholastic track meet last Friday. Going over the new road, one car with eight riding, turned over, pinning the occupants underneath. Some were hurt; no one seriously enough to prevent their going on.

Mrs. Bertha Payne went over and returned same day, getting her car turned over as she returned. Luckily no one was seriously hurt. Considerable excitement over the accidents, but thankful the results were no worse.

Rev. J. A. Lindley is conducting a series of lectures on the book of Revelations this week at Wayside. Began Sunday night and will continue this week during the day until completed from 9 a. m. until 10, and from 3 to 4 in the afternoon. He is a fine lecturer, a good Bible student and a good scholar. Only a few began coming but the crowd is increasing. The lectures are very instructive and entertaining.

Mr. and Mrs. K. G. Nelson from Los Angeles, Calif., who came in to Mr. W. T. Helms' funeral services, left for home last Thursday. Roy Key and wife who came in same time, accompanied by Miss Iva Lee James, left Thursday morning to visit his father, Stanley Key and children in Wyoming.

W. C. McGeehee and family left Monday morning. Went over the new road to Claude, from there to Amarillo, Canyon and Happy.

Evelina Whitten seriously sprained her foot Friday in the Palo Duro Canyon. She is better.

Alex Whitten reports he is doing very well in Veterans' Hospital, Muskogee, Oklahoma.

Glad to report Dr. and Mrs. W. A. Warner have returned to Claude from Veterans' Hospital at Muskogee, Oklahoma. He had been there since October 27, 1932.

School election Saturday presided over by Floyd Adams, assisted by Mesdames Clara McGeehee and Joe Smith, resulted in Wyatt Heiser being elected school trustee and M. L. McGeehee district trustee.

Ferris Pounds came in Friday with his family. Mrs. Pounds and children will visit with her father, Verner Gillham and Grandmother, Mrs. Lou Gillham. Mr. Pounds returned to Estelline Sunday where he has employment.

## Palo Duro Peeps

Mr. and Mrs. Henry Miller were surprised on their 20th wedding anniversary Sunday, April 2, by their many friends and relatives. Everyone brought a well filled basket of dinner. Those present were Mr. and Mrs. Henry Gerdsen and family, Mr. and Mrs. Henry Meyer and family, Mr. and Mrs. D. L. Hickox, Mr. and Mrs. J. E. Albers and son, Mr. and Mrs. Okke Okkenga, Mr. and Mrs. Gustav Leseberg and son, Mr. and Mrs. C. W. Bauer and family, Mr. and Mrs. Herman Kuhlman and family, Mrs. Joe Tucek and family, Mr. and Mrs. Fred Schuette and family, Rev. and Mrs. Stroebel and son, Mr. and Mrs. Carl Schroeder and sons, Mrs. Pauline Wendelken and sons, Mr. and Mrs. Raymon Tucek, Elsie, Leona and Anna Meyer, Ann

Scott, Modelle Wilkins, and O. D. Collins.

Mr. and Mrs. B. S. Campbell and family, Mr. and Mrs. Ralph Ruthardt and daughter, and Bill Gray spent Sunday in the L. C. Ruthardt home.

Mr. and Mrs. E. H. Albers spent Saturday night with Mr. and Mrs. Gene Root and family of Canyon. Mrs. M. L. Morgan of Anton, spent last week with her sister, Mrs. Raymond Boehning.

Miss LeRoy Harding spent the week-end with Misses Aline Wright and LaVeta Ruthardt.

Dorothy Mae Campbell visited with Myrill and Evelyn McClendon Sunday.

Ralph Bragg and Bob Campbell spent Sunday afternoon with John and Vance Albers.

Bill Gray spent the week-end with Mr. and Mrs. Ralph Ruthardt.

Mr. and Mrs. E. P. Harding and family spent Saturday night with Mr. and Mrs. A. A. Harding.

Mr. and Mrs. Raymond Boehning gave a delightful party Saturday night in honor of Mrs. Raymond Boehning's and Albert Detrich's birthdays and Mr. and Mrs. Harry Finch's 11th wedding anniversary.

Ralph Bragg spent Saturday night with Bob Campbell.

## LADIES NIGHT GIVEN AT LAKESIDE SCHOOL

Ladies Night at Lakeside School, with the women members of the Parent-Teachers Association in charge of the program proved to be an entertaining affair last Friday evening.

The school building was filled to standing room. A style show, featuring dresses, flowered hats, green stockings of the '90's and early 1900's was staged for the benefit of the spectators.

Several people from Canyon attended. The Jig-Saw String Band, composed of J. T. Marshall, Elzie Price, T. S. Furlow, H. C. Roffey, and E. C. Hawes, furnished music for the evening.

Well, hard times may not be over, but hard times are.

## Tech President to Speak at W. T.'s Commencement

Dr. Bradford Knapp, president of Texas Technological College has been chosen to deliver the Commencement address at the College this year, according to announcement made by Dr. J. A. Hill just before he went to Austin. Dr. Knapp was president of Alabama Polytechnic at Auburn before he came to Lubbock last year, following the death of Dr. Paul W. Horn.

## DALHART PLANS FOR LEGION MEET APRIL 29

Preparations are being made to entertain at least one thousand delegates at the Eighteenth District American Legion and Auxiliary convention in Dalhart April 29-30, according to Elmer D. Elliott, chairman of the steering committee.

A big barbecue will be one of the outstanding features for the two-day event, Mr. Elliott stated. In addition there will be all kinds of entertainment for every hour of the day and well into the night, he declared. "We aren't going to allow our visitors a dull moment," is his statement.

State and national officials will be present and posts from adjoining towns in other states will be honor guests. Formal invitations will be sent soon, the chairman announced.

## VISIT ART EXHIBIT

Miss Isabel Robinson, the members of the Phidias Art Club and a number of other art students, visited the exhibit of paintings by the Woolsey brothers at the Herding Hotel Wednesday afternoon.

This exhibit was brought to Amarillo by the Amarillo Art Association and will remain on display through Friday of this week. The artists both live at Taos and much of the exhibit is regional in its character. It is open to the public and Canyon citizens are especially invited to view it.

## CANYON GOLF PLAYERS WILL JOIN IN LEAGUE

A meeting of Canyon golf players was held Wednesday night for the purpose of determining whether or not to join a league this year. The Wheat Belt league of last year was broken up, with Plainview joining a league to the south, and Hereford organizing one to the west.

It is likely that Canyon, Tulia and three Amarillo clubs will join in a league. A meeting will soon be held of interested clubs.

Those who don't look for misfortune are more likely to miss it entirely.

## How Doctors Treat Colds and Coughs

To break up a cold overnight and relieve the congestion that makes you cough, thousands of physicians are now recommending Calotabs, the nausealess calomel compound tablets that give you the effects of calomel and salts without the unpleasant effects of either.

One or two Calotabs at bedtime with a glass of sweet milk or water. Next morning your cold has vanished, your system is thoroughly purified and you are feeling fine with a hearty appetite for breakfast. Eat what you wish, no danger.

Calotabs are sold in 10c and 35c packages at drug stores. (Adv)

And another week is gone. I wonder how many of you realize that it won't be long until school will be out? Some of you probably don't want to realize that school is nearly out but it might be a good thing if you did, because it would make you work all the harder in an attempt to keep from falling in your school work.

This here queen race is sure causing lots of excitement round this here school. Some of the boys and girls are wearin' some big tags that sez vote for "so and so." Sometimes somebody'll walk up to one of them people and try to jerk the tags off. Well some people would look just about as good if they would take 'em off, but you can't make 'em believe it just by tellin' 'em. Them tags makes some of 'em look like stray stock we catch up in Wyomin'. We just put a tag on their ear so we can tell the strays from our own stock.

Dog-gone this here April Fool anyway. I didn't think none of them guys out at the ranch remembered April Fool's Day, but they shure did. I been ridin' a bronc here lately and some of the boys put a cocklebur under my saddle and when I sat down in the saddle, dog-gone I wuz shure took for a churnin'. Dang nigh the buckinest hoss I ever saw. He outclashed that strawberry roan fourteen different ways and after I GOT OFF, the boys came a runnin' out of the bunk house a wantin' to know why the commotion, just like they didn't know a blamed thing about it. 'They shore did laugh when I told 'em. I don't care if they did laugh, there'll be an April Fool next year.

Until the president took charge of the banking situation, people didn't know whether to bank their money in a sock, or sock it in a bank.

## Juniors Lead Campaign In Chapel Program

Wednesday at chapel the curtains opened on the most popular and the best looking students in Canyon High. To the surprise of everyone the junior celebrities were not on the stage, but Rosa Cash settled the mystery when she called on Alton Brasuel and Athalee to come forward. Never before had celebrities been so honored as the junior king and queen. Down one aisle marched Laura Ferne Brian dressed in red and white pulling Alton Brasuel in a little red wagon, and down the other aisle marched Speck Williams pulling Athalee Overton in another little wagon. Right behind this procession came the junior girls who marched to the front of the auditorium and gave a yell. Then Sewell Cox was given the floor as the freshman manager. Much to the sophomores' disgust, Sewell mistook the crown on Kenneth Black and Mable Schmitz to be dunce caps. However, little Miss Lowe took up for the sophomores by informing Canyon High that these were the crowns that the sophomores were to wear Friday night. Miss Cash dressed in red and white, the junior colors, gave a little speech boosting the junior celebrities. Last but by far not the least was Joe Collins, manager of the senior class. He introduced two of the most ambitious, intellectual and best looking seniors, Miss Margery Tankersley and Austin Cone. From all appearances the queen and king of C. H. S. will not have an easy victory, because each class is working hard to put their king and queen on top.

## Girl Scouts Begin Preparation for Summer Camp

The Girl Scouts, who are planning with much vim and vigor to go to a week camp which is to be held a few weeks after school is out, are working very hard in order to finance their own camp. Their plan is for each patrol to raise five dollars. In this way they will raise about \$25 or \$30. Some of the grade school Scouts have brought in adequate returns from selling candy. The high school Scouts combined with some of the grade school Scouts sold candy, sandwiches and ice cream during the County Interscholastic League meet. The Girl Scouts believe in their motto "Be Prepared," because they like and believe in relying upon themselves in such cases as this.

## Canyon Students Win Honors In Music Festival

Three public school students, pupils of Mrs. Lee Foster, received honors at the Panhandle Music Festival in Amarillo Friday, March 31, and will be permitted to enter the Lubbock Festival this coming week end if they choose. These students were Fredda Charles Bills and Gladys McBride, both of the high school, and Martha Frances Campbell, a grade school student. Their rating was excellent. The Lubbock Festival is the Tri-State Festival and is composed of the Panhandle Music Festival, Eastern New Mexico Music Festival, and the South Plains Music Festival. The numbers played by these students were "Polish Dance" by Krentzin, which was played by Fredda Charles Bills; "Hungary," by Carl Koelling, played by Gladys McBride; and "Slumber Song," by Mona-Zucca, which was played by Martha Frances Campbell.

## Spring Training Opened Monday With Forty Out

Coach Cleveland Jones opened spring football training last Monday with forty boys reporting for the drills. Spring training is principally used to teach the boys football methods, that is to teach them blocking and tackling, while the last week will probably be used to scrimmage. Several under classmen who lettered last year were out for the first drills. Many seventh graders who will be eligible next year also reported. The drills will probably last about four weeks.

## Ex-Students

Where will all the seniors of 1933 be in several years we all ask. Yet we know that like the past seniors that our seniors of 1933 will soon be entering into our private and public life. It will not be long until we will be asking where they are now living and what they are doing. It would be well for the 1933 seniors to uphold the past records such as: Edward Gerald, a graduate of 1923, who is now teaching in the University of Missouri; C. L. Thompson, a graduate of 1913, is now one of Canyon's most successful business men. Bernie Slack, a graduate of 1918, is now the Randall County Tax Assessor; Herschel Coffee, a graduate of 1922 is now at W. T. S. T. C.; May Slack Coffee, a graduate of 1922, is now one of the local musicians, having taught in the college some during the past; Jean Vetsek, a graduate of 1924, is now a nurse in the Northwest Sanitarium in Amarillo.

## Senior Play Cast

The cast for "Adam and Eve," the senior play met for the first time Monday afternoon to practice on the play which will be given on May 5 in the high school auditorium. The cast includes three men and five women who are: Joe Nelson—Louise Wester. Maid—Lela Hickox. Arnold Barter Armstrong—Tyson Cox. Mrs. Armstrong—Zudie Mae Biele. Ned Armstrong—Robert Black. Ruth Armstrong—Eulalie Moore. Evelyn Armstrong—Mary Beth Campbell. Adam Mason—R. L. Burnam. The play is a comedy in three acts, and the place is in the Arnold Baxter Armstrong's home. Mrs. Crump, who is directing the play, has begun work with the cast for a steady five weeks' practice.

## Faculty Discusses "Commencements" at Regular Meeting

The faculty meeting, March 30, was in charge of Miss Jordon, Miss Crawford, Mrs. Barker, Mrs. Foster, and Mrs. Beeson. The subject for discussion was commencement programs. The program was as follows: "The significance of commencement and basic principle of organization"—Miss Jordon. "Selection and work of the speaker"—Mrs. Beeson. "Details of Commencement Activities"—Mrs. Foster. "Other Commencement Activities"—Miss Crawford. "Further suggestions on Commencement"—Mrs. Barker. Dr. Barnett was a special guest of the evening. Refreshments of cake and ice cream were used.

## Supervisor's Column

People the world over love stories and a good story teller is always in demand. Why should not children at an early age be trained and encouraged along this line? To meet this need, the Tiny Tot Story Telling Contest has recently been added to the Interscholastic League Meet; though at present it is only a county contest.

First, second and third grade children were eligible and only children of one particular grade competed against each other. During the period of training, the children were told stories they had never heard and were sent to other rooms to tell them; or, were told stories outside of class and sent in to tell them to their own classmates. The youngsters enjoyed this activity immensely and begged for the privilege of telling stories to other groups.

At the time of the contest, a story-teller, using new stories sent out by the state, told a story to each group separately. The children then went before the audience, one at a time, to tell the story. They were judged on the following points: 1. Spontaneity; 2. Originality; 3. Delivery.

This new contest has made, I think, a lasting place for itself; first because it offers to first, second, and third grade children a chance to compete in the Interscholastic League Meet; second, because it trains children to listen closely and to tell accurately what they hear; third, because it trains children to think on their feet and to be at ease before an audience; and, fourth, because it develops the imagination. The winners in the Canyon Grade School Contest were:

1. First Grade: 1st place, Shirley Harrell; 2nd place, Dickie Woods.  
2. Second Grade: 1st place, Jack Brian; 2nd place, Clarence Eugene Thompson.  
3. Third Grade: 1st place, Winnie Gene McKenzie; 2nd place, Dorothy Heath.

## JUNIORS ENTERTAIN SENIORS WITH PICNIC

Friday afternoon when the sun was lowering in the western sky a large number of juniors entertained the senior class with a picnic at the Cox home. The large group left the high school building, in two trucks and cars at 7:30 Friday evening. After playing all kinds of games, the group enjoyed a delicious picnic refreshment of weenies, buns, fruits, cookies, and marshmallows. They returned to town at 9:30 o'clock.

**APRIL FOOL PARTY**  
An April Fool party given Saturday night in the High School gym was enjoyed by many Canyon High students.

Each person was charged a penny for each year of their age. This money will be used by the juniors to help elect their king and queen. The evening was spent in playing games of various kinds and refreshments of doughnuts and cocoa were served.

**SPONSOR BOX SUPPER**  
A box supper was sponsored by the seniors Monday night for the carrying on of the king and queen campaign which will end Thursday afternoon. Many attractive boxes were brought and sold.

## Canyon Debaters Win Most Debates In Lubbock Tilt

In the Lubbock round robin debate tournament March 31, and April 1, the Canyon boys won three debates out of a possible four. The girls lost two debates. Debate teams from Sweetwater, Canyon and Lubbock were present. All these teams represented different districts. Canyon seemed superior to any other district in that it handed each district represented a defeat, only to lose the final go to Lubbock. The Canyon boys, Joe Collins and Ogden Stroud, won over Lubbock on the negative, Sweetwater on both negative and affirmative, and lost to Lubbock on the affirmative. The Canyon girls, Armor Lee Greenfield and Kathryn Robinson lost to Lubbock on the negative and affirmative. The Interscholastic League question was debated. It is: Resolved: that at least one-half of all state and local revenue should be derived from sources other than taxes on tangible property.

The closing debates of the season for both teams before the Interscholastic League meet will be held at Priona, April 11. The local squads entertained Hereford last night in the last home engagement.

## King and Queen To Be Crowned Friday Night

Stunt night is almost here. If you are in need of a million laughs make your preparations one hundred per cent to attend stunt night. In addition to the stunts and the coronation, Elzie Price and his string band will be present to add to the merriment. There will be some of the cleverest stunts you have ever seen. Some of the outstanding ones will be put on by the Press Club, S. P. Q. R. Club, Tawawana Club, Home Ec. Club, Spanish Club, G. A. A. Club and the Pep Squad. Then last, but not least, the coronation of the favorite boy and girl in high school as the king and queen of this institution. The maids of honor and their escorts will be the favorites from the three classes other than the one represented by the king and queen. The general admission will be 10 cents for everybody.

## Who's Who

Have you ever wondered who on earth it was who got the news all mixed up or printed that news about you without asking? You may cease to wonder for the innermost secrets of the staff are about to be revealed to you.

The general reporters are Ruby Foster, Madelyn Bull, Sarah Bonnie Bourn, Mary Dowlen, and Hampton Lisle. If there is any mistake in the news, they are the persons to see. They will probably tell you that it was an error at the printing office or the fault of the editor, but you will have had the satisfaction of telling the reporter just what you think of them.

The special editors are Lela Hickox, who is responsible for the personals; Mary Ella Lowe, who is club editor; and Jean Slack, who writes the Grade School news. Lela's nose is at least an inch longer than it was at the start of school, but she is certainly developing a nose for news.

The chapel reports are written by Armor Lee Greenfield, who some times hands in some ex-students notes, too. Robbie is responsible for all the news about the ex-students and she can tell you what John Doe, who graduated in 1903 is doing now and what his wife's name was before she became Mrs. Doe. Jean Burgess writes the editorials, and she has written one for every paper that has gone to press. Bill Cone and R. L. Burnam write the sports news. R. L. also writes "Cactus Cal," the popular column that every one enjoys—except the ones he writes about. Kathryn is the debate reporter, and she is about to turn our perfectly good paper into a debate periodical. The "Who's Who" is written by Margery Tankersley and Ruby, but you will not find out from them who wrote this, so don't ask.

Louise does not do much writing, but spends her time making assignments, getting all the other articles in on time, and in writing headlines.

## Canyon Thin-Clads Training Hard for District Struggle

The Canyon High School tracksters are fast rounding into condition for the district track and field meet to be held in Canyon April 21 and 22.

Canyon has one of the best track teams it has had in recent years. Many of the boys are setting their goals as "Down State." Among the most likely candidates for district honors are F. A. Thomas, Austin Cone, George Brasuel, Tyson Cox, and Alton Brasuel.

F. A. is one of the fastest quarter milers in this section of the state. He is not so bad at the century and furlong. Austin is a miler to be looked up to. He took third place in the district last year. George runs the half mile and mile and is no slouch at either one. George won fourth place in the mile at the district meet last year. Tyson is a pole vaulter and high jumper of good quality. Alton Brasuel is no bad distance man. F. A. is also a good high jump and discus man.

Others who are coming out for track are: R. F. Burnam, Owen Miller and Elvert Laughery.

## Mrs. W. H. Stroud Proposes Plan for Improving Campus

Mrs. Stroud, the mother of one of the outstanding senior boys, has proposed a plan for beautifying the school ground. She is donating six rose bushes to be planted in front of the building in honor of the senior class.

Any mother or friend of a member of the senior class is invited to donate any shrubbery in his honor that will beautify the place. The plants are to be left with her. She, with the help of Mrs. Sternenberg, have cleared off places for these plants and it is hoped that many will be donated.

This is to mean three things: First, it is to let the seniors know that they are being remembered; second, it is in honor of the teachers who have taught them; and third, it is to be in honor of the janitors who will give their time and care to the plants.

It never pays to get too mad because this week's enemies may be next week's friends.

## SPRING FEVER

Spring is here! We know, because we have many facts which are sufficient proof. Everyone seems to have spring fever. We sit through classes staring idly and dreamily into space, allowing the teacher's instruction to float over our heads, in one ear and out the other.

Just what is the cause of this disease which is so prevalent at this time each year? Some blame the weather; others, like myself, shamelessly admit that they don't know.

The symptoms are very plain, but we can find no cure. The symptoms are characterized by day dreaming, yawning, and drowsiness. Aside from a soaking with a bucket of cold water, no suggestion has been offered for a cure.

## SO IT'S SPRING

It is now springtime at Canyon High School. Walking down the halls one sees girls blooming out in light dresses, ankleties, and white shoes.

A glance out of the windows show that the lawn is getting green and that old Man Winter has removed his blanket from the trees. The tan window shades are now being pressed into service to keep the sunlight out of the pupils' eyes.

The pot plants are beginning to bud. Many of the girls are having their hair cut and preparing for summer. Great plans for vacations are being made.

The seniors are trying to raise their noses two or three inches higher, and the juniors can look as high hat as they please because they believe that maybe their faces won't freeze now. The sophomores are ready to move over in the junior section, and the freshmen have nearly caught on to what it is all about.

The pep suits are disappearing and everything at Canyon High School is chanting "Spring Time."

Did you ever think that if you judged others by yourself it wouldn't be fair to them.

## A COMMON SENSE REMEDY TO HASTEN THE RETURN OF PROSPERITY

This sound philosophy of that great American, BENJAMIN FRANKLIN, is worth reading and following:

"What signifies wishing and hoping for better times? We may make these times better if we bestir ourselves. Industry need not wish and he that lives upon hope will die fasting. There are no gains without pains . . . . .  
"Industry pays debts, while despair increaseth them. Diligence is the mother of good luck, and God gives all to industry . . . . .  
"Then plow deep while sluggards sleep and you shall have corn to sell and to keep."

The policy of the Canyon Banks always has been, and always will be, to work for the best interests of Canyon and Randall County, and to serve depositors along sound and constructive lines.

## Track Season Opens Here May 6; Cinder Candidates In Training

After a two years' absence from the cinder paths in intercollegiate competition, W. T. will again don the spiked shoe this spring for three and perhaps four dual track meets with neighboring colleges. On May 6 the Southwestern Oklahoma Teachers of Weatherford, Okla., will send a team here to open the season for Coach S. D. Burton's Buffalo trackmen. At a later date Panhandle A. & M., Goodwell, Okla., will be brought to Buffalo Stadium.

Tentative arrangements are being made for an exchange of meets with Texas Tech. Definite dates have not yet been agreed upon but they will probably be held after

April 21 at which time spring football training ends for the Buffalo eleven.

Available track material is uncertain at this time, according to Coach Burton. Development of a "track team" is now in the embryonic stage and it will be a week or more before the W. T. cinder men are in shape to show results which can be taken as an indication of the team's best efforts.

A. C. Brown is known to do better than the average in the pole vault and broad jump events. Alford Swofford has paced the mile and two mile races for Burton before now. Alfred Duncan appears to be a good bet in the quarter. Versatile Joe Fortenberry, who bars nothing which comes within the realms of athletics, hurls the disc, hurdles high hurdles, and does the high jump. Fawcette Rudolph is adept at the low hurdles. Other than these prospects for the team it is an unknown quantity—and doubtful quality. However, a score of men are going through their paces on the track in Buffalo Stadium each day.

All meets held here will be nocturnal events.

The new deal began with a lot of hoarders feeding the Kitty.

## First Lady Does the Unusual

Like her husband, the president, Mrs. Franklin D. Roosevelt believes in being original. She is shown at left in Newark, N. J., as she boarded a plane bound for the capital—the first time, it is believed, that a First Lady has ever flown. And, at right, she is shown as she broke another precedent by strolling, unguarded, through the business district of Washington.

## DAM IS UNDER CONSTRUCTION T ANCHOR FARM

College Students Doing  
Work; Project Be Com-  
pleted Last of Week

### RECREATION CENTER

Fish Will be Placed In  
Lake, Trees Planted,  
Irrigation Used

Greatly enhancing the beauty and usefulness of the T-Anchor property is the dam now under construction on the college farm. This dam was started on January 4 and will be completed by the end of the current week. The work is being done with horse and mule teams belonging to the farm and by the student employees who live there.

This construction dams up the Spring Draw which flows the entire year from a spring on the H. K. Stanfield property just across the highway from the T-Anchor. The dam is constructed of clay and dirt from the channel of the creek. It has a large spillway which holds the level of the water at a sufficient height to back the water up as far as the bridge crossing the creek. This lake will cover several acres, and fish from both the State and Federal hatcheries will be placed there.

The dam has a three-fold purpose: First, it is to afford a college recreation center, a long felt necessity. Second, it is to prevent disastrous overflows such as those experienced last June. Third, it is to provide water for an extensive irrigation project for vegetables, winter pasture, cattle, hogs and horses, and for an orchard. Shade trees will be set out and the premises generally made attractive in appearance for college groups and visitors along the state highway which abounds the property.

It is expected that the lake will be filled by spring rains and the natural flow of the spring within a month's time.

In the main, it was the big banks, railroads and corporations that were aided by the Reconstruction Finance Corporation. Which shows there was nothing R F D about the R F C.

George Bernard Shaw says, "People must think I'm an old fool." That's silly, Shaw isn't old. Many a man who ended up cutting out paper dolls got that way worrying about paper dollars.

And now, with Roosevelt's economy drive, a number of ambitious government projects seem doomed to be nipped in the bud-get.

## RFC Wage Scale is Cut By Officers Named By State

New regulations in the handling of the RFC relief funds went into effect April 1, and according to instructions and suggestions in the handling of the funds, some changes in the local funds were put into effect.

At the suggestion of the State Relief Commission, recently set up by Governor Ferguson with Lawrence Westbrook, the wage scale in Randall county was cut to \$1.20 a day or 15 cents per hour on all relief work.

Regular periods of issuing disbursement orders to cover work relief and direct relief has been established by the local committee. From 2:30 to 5:30 each Wednesday and Saturday afternoons these orders will be issued in the County Court room. Orders are not to be issued at other times during the week.

A special meeting of eight Panhandle counties has been called in Amarillo on Monday, April 10 for the purpose of ironing out some of the existing difficulties and making preparations for future allotments.

## Girls' Glee Club Will Go to Meet at Lubbock Saturday

The Girls' Glee Club of the College, which is under the direction of Miss Pauline Brigham, will leave Saturday morning for Lubbock where it will enter the contests of the Tri-State Contests.

The Tri-State meet is made up of the winning contestants from the Panhandle Music Association, the South Plains Music Association and the New Mexico Music Association. It will be invited to come to Canyon for the 1934 contests and Canyon citizens can look forward to some very interesting musical events if the invitation is accepted.

Members of the organization going to Lubbock are Florine Bowman, Dorothy Faye Rucker, Lucy Jo Louder, Jessie Louder, Dixie Foster, Marian Hill, Martha Nell Lang, Dorothy Clark, Dorothy McKenzie, Mary Jo Gates, Betty Hicks, Laura Bills, Lillabeth Burroughs, Pauline Thompson, Esther Root, Frances Usery, Frances Alice Clark, Josephine Dufort, Gwendolyn Black, Ruth Greenfield, Pearl McClure, Elizabeth Faulkner, Margaret Pierle, Amogene Fowler, Novalee Hickox and Dorothea Martin. The Glee Club will sing "How Beautiful is Night," by Outhbert Harris, with Frances Usery accompanying.

R. J. Spencer of Hereford came Thursday to take over the management of the M-System.

## Use of Puppets Shown in Chapel By Y. W. Girls

The Young Women's Christian Association furnished four delightful entertainments for children and adults on Wednesday and this morning at the college, illustrating the use of puppets.

The members of the Y. W. C. A., with the assistance of Miss Ruth Lowes, made the puppets and stage setting for a dramatization of "Epaminondas" a nonsense story which is a universal favorite. Miss Dorothy Harris, Miss Dorothy McKinzie and Miss Mildred Wharton, operated the puppets. Miss Novella Goodman of the faculty assisted them. A lullaby, "Mammy's Baby Loves Shortenin' Bread" was a feature of the first scene.

Other types of puppets were also used on the program. Miss M. Moss Richardson exhibiting the antics of "Jocko" a diminutive hand maniken and "Sambo" a jointed-manniken operated on a stick furnishing a dance number. Most of the girls who helped with the puppet show project expect to teach, and puppets are frequently used in the school room. Thus both fun and added educational equipment were features of the show.

## Art Exhibit of Work of Iams at W. T. This Week

The Phidias Art Club of West Texas State Teachers College is sponsoring a one-man art exhibit which opened Friday, March 31, and ends Friday, April 7th, 1933. The exhibit is being held in the administration building on the W. T. campus in the office of the Dean of Women, Mrs. Geraldine Green.

This exhibit is the work of J. Howard Iams and consists of about twenty-five pencil sketches which are very light and precise in technique, a number of water colors, and an oil painting named "Morning Fog."

In the Southern States Art League sponsored here by the Phidias Art Club three years ago, Mr. Iams' picture "Spring Rain" was voted as the most popular picture on display. The oil painting Mr. Iams has on exhibit this year, "Morning Fog," has the same atmospheric quality which proved so interesting to the public in "Spring Rain."

### HURT IN FALL

Mrs. C. L. Thompson was badly cut on the back of her head and sustained severe bruises Tuesday when she fell down the steps at the Presbyterian church. Several stitches were necessary for the cut sustained on the back of her head.

## Golf Team Will Play Next Sunday in Tulia Tourney

Canyon golf players have accepted an invitation to go to Tulia next Sunday to join in an invitation meet with Plainview, Hereford and Tulia. One man from each town will play together in the meet.

The first tournament for local players was staged Sunday when Ed Mickle and Oscar Gano chose sides from among the local players and played 18 holes. Gano's team won by a single point.

Lee Foster was winner of the blind bogey feature of the tournament.

## Copy of Original McCormick Reaper Placed in Museum

A full sized reproduction of Cyrus McCormick's original reaper is being erected in the Museum as a gift from the International Harvester Company. The first reaper was invented by McCormick 102 years ago.

The machine is being erected by Clyde Davis of the Thompson Hardware Co., and by a factory representative.

### TEXAS ALMANACS WILL BE OUT DURING THIS WEEK

Notice from the publishers of the Texas Almanac states that the books will be shipped during this week to those who have orders filed. The books are handled in Canyon by the Warwick Printing Company.

The Texas Almanac is a most valuable reference book to all students of Texas affairs.

### SPECIAL RATE FOR 3 MONTHS SUBSCRIPTION

The Canyon News and the Amarillo Daily News are being offered for three months at the very low rate of \$1.35. This rate is good only through the month of April. Subscriptions may be left at the Canyon News office. The Amarillo News rate for three months alone is \$1.25.

### EPISCOPAL CHURCH

Next Sunday, April 9, is Palm Sunday, commemorating the "Triumphal Entry of Our Lord into Jerusalem." It is the Sunday before Easter, and a day very dear to all Christians.

Rev. Warwick Aiken, of Dallas, will preach at the local church on the evening of Palm Sunday, at eight o'clock.

Everyone interested is cordially invited to attend.

Mr. and Mrs. J. I. Penrod of Happy stopped in Canyon Monday morning to attend to business.

## THE GREAT AMERICAN HOME

## TODAY FIRST SCRIMMAGE OF SPRING GRIND

Coaches Burton, Crump Pacing Candidates for Varsity Squad

## HUSKIES AT WORK Many Familiar Figures In Buff Uniforms; New Men Good Prospects

An early September atmosphere pervades the Buffalo gridiron these April afternoon as Coaches S. D. Burton and C. J. Crump send thirty-odd candidates for the varsity football squad of 1933 through the strenuous exercises of Spring training. Working off the superfluities of winter abstinence from training is no mild procedure, as any one of the huskies will willingly attest.

Burton and Crump are giving their charges "the works." Passing, punting, side-stepping, tackling are all being given attention in a manner which prophesies a relatively hardened crew when the call is issued next fall. Although there was linebucking last week, the first real scrimmage will be given the men this afternoon when the fetters are unleashed and signals are run in earnest.

Sixteen backfield candidates have reported to Coach Crump among whom are the familiar figures of Captain Williams, Spence, Kendrick, Brotherton, Morgan, and Davis. McGehee, Grimes, Moore, and Martindale appear certain to make the squad forming a holocaust which will deal misery without mercy to Buffalo foes when the whistle blows again.

In the line, under the charge of Coach Burton, Fortenberry, Duncan, Higgins, Teague, Stroud, Lovelace, Thompson, and Hazlewood are men who have performed for W. T. football enthusiasts before now. Approximately a score of heavies are sweating and grunting for Burton as they tackle imaginary foes, fall on fancied fumbles, and form the advance guard for the swifter backs.

Wallace R. Clark was in Farwell Sunday where he conferred with Judge J. D. Hamlin who had just returned from Austin where he has been representing the Canyon Chamber of Commerce before the Legislature.

Mrs. Olan Auld and daughter have returned to their home in Long Beach, Calif., after a two weeks visit in the parental A. C. Thomas home.

Mr. and Mrs. Everett Key of Lubbock spent the week-end in the home of Mr. and Mrs. J. D. Key. Miss Rosa Belle Jones accompanied them and visited in the Key home and that of Miss Jessie DeGraffenried.

Miss Kate Calloway left last week for her home in Ardmore, Oklahoma, after being in school here the first two terms.

### GOOD BUSINESS RULES

A man who has a large number of employees under him has posted up in the various departments of his establishment cards which bear the above caption and the following rules:

1. Don't lie, it wastes my time and yours. I'm sure to catch you in the end, and that's the wrong end.
2. Watch your work, not the clock. A long day's work makes a long day short, and a short day's work makes my face long.
3. Give me more than I expect and I'll pay you more than you expect. I can afford to increase your pay if you increase my profits.
4. You owe so much to yourself that you can't afford to owe anybody else. Keep out of debt or keep out of my shops.
5. Dishonesty is never an accident. Good men, like good women, can't see temptation when they meet it.
6. Mind your own business and in time you'll have a business of your own to mind.
7. Don't do anything here which hurts your self-respect. The employee who is willing to steal for me is capable of stealing from me.
8. It is none of my business what you do at night. But if dissipation affects what you do the next day, and you do half as much as I expect you'll last half as long as you hoped.
9. Don't tell me what I'd like to hear but what I ought to hear. I don't want a valet to my vanity, but I need one for my dollars.
10. Don't kick if I kick. If you're worth while correcting you are worth while keeping. I don't waste time cutting specks out of rotten apples.

Two sayings you won't hear any more: "His word is as good as his bond" and "You can bank on that."

And all because the administration thought it was horrid of the horde to hoard.

Our idea of a dumb golfer is one who thinks a greens fee is the price of spinach.
